Frequently Asked Questions (FAQs)

Q1: How often should I change the filter on my Upright XRT27?

A1: The frequency of filter changes depends on usage. However, it's generally recommended to inspect

the filter after every few uses and replace it at least every 3-6 months, or more frequently if it appears visibly dirty or clogged. Refer to your specific model's manual for precise recommendations.

Q2: What type of cleaning solution is recommended for my Upright XRT27?

A2: Consult your machine's manual for specific recommendations. Generally, mild detergent solutions are suitable, avoiding harsh chemicals that could damage the machine or void your warranty. Always test any cleaning solution on a small, inconspicuous area first.

Q3: Where can I find replacement parts for my Upright XRT27?

A3: Replacement parts are typically available through authorized dealers or the manufacturer's website. Always use genuine parts to maintain the integrity and warranty of your machine. Avoid using counterfeit or incompatible

parts.

Q4: My Upright XRT27 is making a strange noise. What should I do?

A4: A strange noise could indicate a problem with the motor, belt, or other internal components. Immediately turn off the machine and inspect it for any visible damage. If the problem persists, contact customer support or a qualified technician for assistance. Avoid operating the machine if it is producing abnormal noises.

Q5: What are the safety precautions I should take while using the Upright XRT27?

A5: Always refer to the safety instructions in your user manual. Key precautions include wearing appropriate PPE (safety glasses, gloves, etc.), ensuring proper ventilation, and keeping children and pets away from the operating machine. Never operate the machine with damaged parts or cords.

Q6: Can I use the Upright XRT27 on all types of flooring?

A6: The suitability of the Upright XRT27 for various flooring types depends on the specific model and its attachments. Consult your manual to identify the appropriate settings and attachments for different floor surfaces. Using inappropriate settings could damage both the machine and your flooring.

Q7: What is the warranty period for the Upright XRT27?

A7: The warranty period varies depending on the specific model and your region. Check your purchase documentation or contact the manufacturer to determine the applicable warranty terms and conditions.

Q8: How do I properly store my Upright XRT27 when not in use?

A8: Store your Upright XRT27 in a cool, dry place, away from direct sunlight and moisture. Always ensure the machine is unplugged and

allow it to cool down before storage. Keep it upright to prevent damage to internal components.
