A6: Regularly reviewing and updating your menu is crucial for maintaining nutritional balance and catering to children's evolving needs and preferences. Aim to review and make adjustments to your menu at least quarterly, incorporating seasonal produce and new recipe ideas. Consider parent feedback and children's reactions to meals when making adjustments.

Q7: What resources can I use to create a nutritionally

balanced daycare menu?

A7: Several excellent resources can assist you. Consult government guidelines for childcare nutrition, such as those published by the USDA.
